

Future Aggie Mentors

Post-Survey Questions

Instructions: Please complete this post-survey which will reflect upon the content of the Future Aggie Mentors meetings. This survey will gauge your perceived competence and comfort with different knowledge and skills. This survey is similar to the pre-survey you likely completed at the beginning of the semester.

Rate each topic using the following 5-item Likert scale to the best of your ability. Scores should reflect your perceived current knowledge or level of confidence.

5	4	3	2	1
Very knowledgeable. Expert Very confident/ comfortable.	Quite knowledgeable. Proficient Quite confident/ comfortable.	Average knowledge in area. Apprentice Average confidence/ comfort in area.	Little knowledge in area. Adv. Beginner Little confidence / comfort.	No experience with topic. Novice No confidence. Uncomfortable.

I am able to...

- What other topics, activities, and speakers do you think would have been helpful for you this semester?

- We would like you to come back next semester and serve as a mentor to the new group. You can put this on your resume, and you will be able to receive letters of support from Drs. Montague and Walichowski. Do you think we can count on you for next semester?
